

THANK YOU FOR CHOOSING THIS ECOPLAY GAME.

YOU CAN FIND ALL THE INSTRUCTIONS OF OUR GAMES IN DOWNLOADABLE DIGITAL FORM ONLINE, TO FURTHER CONTRIBUTE TO PROTECTING OUR ENVIRONMENT.

HAPPY VOWELS

FIVE BRIGHTLY COLOURED VOWEL PUZZLES, WITH NICE BIG, THICK PIECES. CHILDREN GET TO KNOW THEIR LETTERS AND LEARN TO RECOGNISE THEIR FIRST WORDS – ALL WHILE HAVING FUN WITH A LIVELY GAME OF BINGO!

AGE: 2-5

CONTENTS: 5 large-piece vowel puzzles • 20 bingo cards

SKILLS: Recognise vowels • Understand and use words • Dexterity • Visual memory

RULES OF PLAY:

This game starts children learning about vowels. What's more, you can also find all you need to organise a fun game of bingo to further reinforce their recognition of the letters and words that start with the corresponding letter.

VOWELS PUZZLE

The five big vowel puzzles are made up of four pieces each. Each piece is represented by an object that starts with the corresponding vowel which can be found next to each object illustrated. The letters are printed in four different fonts. Children can play alone or with friends.

VOWELS BINGO

As well as the vowel puzzles, there are also twenty little cards showing the objects introduced in the puzzles, with their name and the letter they start with. The puzzles and the cards can be used to organise a game of bingo. The large letters on the puzzles become the bingo cards that are shared between the players, while the little cards are placed in the centre of the table and covered. Each child takes turns to pick a card. If that card is needed for the child's vowel, they place it near the corresponding object, otherwise they have to put it back with the others in the centre of the table.
